

Christmas Mystery 2009

by Merete Veian :: part 1

Block A:

1. Find all the **red-pink** squares.
2. **Sew 24 squares** into **6 four-patches**.
3. Put the A-blocks away.

Block B:

1. Find **8 green 2 ½"** squares.
2. From **the background fabric**: Find **8 of the 3"** squares.
3. Place a green square (right side down), on top of a larger background square (right side up).
Note that the green square should align with a corner.
You may mark the sewing line before sewing the green square to the background square.
Sew on the diagonal. Cut off the green triangle corners if you like.
4. Open up and press lightly the triangle to the corner.

5. Do the same with the rest of the squares until you have a total of 8 background squares with a green triangle in the corner.
6. Put the B-blocks away.
