

Quilt layout for placement of applique

Appliqué motifs

Use fusible web for the appliqué motifs or your preferred appliqué method. If using fusible web please remember to **reverse the templates** before tracing them to the back of the web.

Remember to add seam allowances to all parts if using another method than fusible web.

- * Boy 1 - make 1
- * Boy 2 - make 1
- * Girl 1 - make 1
- * Girl 2 - make 1
- * Stars - make 3

Appliqué motifs in place, following quilt illustration. If using fusible web finish the edges of all motifs with buttonhole stitches.

For details use either fabric markers or embroidery stitches.

Finish the quilt by layering backing, thin batting and quilt top. Quilt as desired.

Finish the quilt with a $\frac{1}{4}$ " finished double binding with mitered corners.
